

SCORPION

How to get your tracking number

Using the command history

The screenshot shows the top navigation bar of the Scorpion website. On the left is a search bar with a magnifying glass icon and the text "Search". To its right is a dropdown menu labeled "code". Further right is a dark grey button with a white outline, which is the "Log in" button. To the right of the login button is a shopping cart icon with a green circle containing the number "0". A dropdown menu is open from the login button, listing the following options: Profile, Quote History, Order History, Custom Products, and Logout. The "Order History" option is highlighted with a grey background. Below the navigation bar, a table displays tracking information. The first row has the header "TRACKING #". The second row contains the tracking number "606467708982" and a green button labeled "View details".
